PLANT WNY MEMBERSHIP GUIDE

The Professional Landscape and Nursery Trades of Western New York

Inside this guide you will find a list of our members along with the services they provide, contact information and the companies that have CNLPs on staff.

The Professional Landscape & Nursery Trades

What is PLANT WNY?

The Professional Landscape and Nursery Trades

The Western New York State Nursery & Landscape Association (PLANT WNY) is a not for profit organization committed to promoting public awareness of our professional organization; as well as promoting, improving and expanding landscaping, nursery and related trades. PLANT WNY is composed of nursery, landscape, garden center and design professionals.

PLANT WNY presents Plantasia!

Plantasia is WNY's premier garden and landscape show held every year in March at the Hamburg Fairgrounds.

Find all of the latest show information at: www.plantasiany.com

What is a CNLP?

Certified Nursery and Landscape Professional

Many of our members are also Certified Nursery and Landscape Professionals (CNLP) or employ CNLPs. The title of CNLP indicates that the professional has successfully completed a rigorous state exam and has kept up their credentials with continuous education related to the horticulture field. A Certified Nursery & Landscape Professional in New York State is part of an elite group of green industry professionals who share a common desire in continuing their education and growing as professionals.

PLANT WNY is committed to the education of its members, the general public and students. Through the PLANT WNY Foundation, scholarships are available for qualified students enrolled in a horticulture related field.

Mission Statement

We will advance the common interests and causes of our members and foster fair and friendly relations among them. We will cultivate high standards of business ethics within the Nursery and Landscape trade and promote the use and enhance the quality of the products and skills employed in our trade. We will secure for our members access to the maximum benefits of business services, education, science, and best practices.
