

PLANT WNY SERVICES GUIDE

The Professional Landscape and Nursery Trades of Western New York

Inside this guide you will find a list of our members along with the services they provide, contact information and the companies that have CNLPs on staff.

Are you a green industry professional? Advance your knowledge with us!
See inside this guide for details.

What is PLANT WNY?

The Professional Landscape and Nursery Trades of Western New York

The Professional Landscape & Nursery Trades

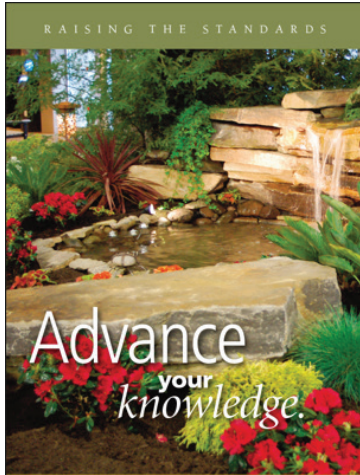

The Western New York State Nursery & Landscape Association (PLANT WNY) is a not for profit organization committed to promoting public awareness of our professional organization, as well as promoting, improving and expanding landscaping, nursery and related trades. PLANT WNY membership is composed of landscape professionals, horticultural educators, nursery growers, garden centers, tree care and turf specialists, suppliers, and many more.

PLANT WNY - What we do!

What is a CNLP?

Certified Nursery and Landscape Professional

Many of our members are also Certified Nursery and Landscape Professionals (CNLP) or employ CNLPs. The title of CNLP indicates that the professional has successfully completed a rigorous state exam and has kept up their credentials with continuous education related to the horticulture field. A Certified Nursery & Landscape Professional in New York State is part of an elite group of green industry professionals who share a common desire in continuing their education and growing as professionals.

Advance Your Knowledge at PLANT WNY's Trade Show & Education Conference

Held in early February this conference and trade show kicks off a new "green season" in Western New York. It is an opportunity for professional development by earning recertification credits (CNLP, DEC, and more), strengthening vendor contacts and improving network potential. If you work in the green industry this is the show to attend. If you are a business that provides products or services to the green industry, reach your market at our trade show!

Find information at plantwny.com

PLANT WNY presents Plantasia!

Plantasia is WNY's premier garden and landscape show held every year in March at the Hamburg Fairgrounds.

We are the show with the blooming gardens! Shop our garden market for plants, accessories and services.

Attend one of our seminars. Enjoy daily entertainment and family friendly activities.

Find all of the latest information at:

plantasiany.com

Landscape Awards Program

Enter the Landscape Awards Program – show us what you got! Join our association and compete with landscaping professionals for awards of excellence while promoting the industry and the work that member companies are proficient at doing. Educate the public as to why hiring members, such as yourself, is a wise investment due to the professionalism used in your approach to the landscape and nursery business. There are 9 categories to enter – residential, commercial, hardscape, mature, and feature focus. Entries open in August and close at the end of October.

Buffalo Snow & Ice Management Conference

Held in August, this conference will help you grow your winter division - seminars, snow equipment demonstrations, snow and ice management reps, round table discussion on a variety of topics and networking.

PLANT WNY is committed to the education of its members, the general public and students. Through the PLANT WNY Foundation, scholarships are available for qualified students enrolled in a horticulture related field.

Mission Statement

We will advance the common interests and causes of our members and foster fair and friendly relations among them. We will cultivate high standards of business ethics within the Nursery and Landscape trade and promote the use and enhance the quality of the products and skills employed in our trade. We will secure for our members access to the maximum benefits of business services, education, science, and best practices.
